

FIG. 2 is a perspective view of the instrument panel 100. The panel features a speedometer on the left with a scale from 0 to 100 MPH. To its right is a tachometer with a scale from 0 to 8. The panel is equipped with numerous indicator lights, including a "LOW OIL" light, a "BRAKE" light, and a "PARK" light. A digital display shows the number "000000". The panel is labeled with "100" and "1000R".
